

The scientists concluded that because of their velocity, as they cross the Earth's atmosphere, the friction with the air causes the asteroid to warm until it becomes a large mountain burning with fire. As a result, sea water at the point of impact would boil, and the oxygen in the water would be consumed. Plants, fish, whales and other marine animals would perish. The impact of the asteroid will create disastrous earthquakes in the great cities of Earth and giant waves of tsunami that will destroy the stubborn part of the ships. The sea will invade the beaches and the coastal cities will be destroyed. The Lord says, "Woe to the inhabitants of the coast of the sea ... The word of the Lord shall be against you ... and I will destroy you, till there be no inhabitant." (Sof 2: 5).

### WHAT TO DO TO BE SAVED?

Many cities, especially the coastal cities, have become impiety, and will be punished - some with water and others with fire. Those who wish to serve God must leave them, dwelling in small towns and in the fields where the influence of evil is less. And they must repent of their sins and serve Him with all their heart. He says, "Seek ye the Lord, all ye meek of the earth, that hast wrought His judgment; seek righteousness, seek meekness; it may be that you are hidden in the day of the Lord's anger" (Sof 2: 3).

God loves men, even the most sinful. And through Jesus, He will receive all who come to Him. Jesus said, "He that cometh to Me I will in no wise cast out" (John 6:37). "God our Savior ... wants all to be saved and to come to the knowledge of the truth" (I Tim. 2: 3,4). Come to Jesus today and know the truth. What is truth? "Thy law and truth" (Ps 119: 142) And the people of God keep it: "Here is the patience of the saints; here is the patience of the saints; here are they that keep the commandments of God and the faith of Jesus" (Revelation 14:12).

# THE WARNINGS OF THE END

## THE TRUMPETS OF THE APOCALYPSE

God is love, but he also does not have the guilty innocent and will, in the last days, destroy those who destroy the earth. The Apocalypse reveals that great judgments will come upon them. However, they will be mercifully mixed, since God does not want anyone to be lost, but that all may repent and be saved in Christ Jesus, even those of the last hour. John, the revealing apostle of the Apocalypse, said:

*"And I saw the seven angels that stood before God, and seven trumpets were given to them. And another angel came and stood by the altar, having a censer of gold; and much incense was given him, to set him the prayers of all the saints on the altar of gold that stands before the throne. Rev.8: 3*

Because of the corruption that has spread throughout society and even in churches, true Christians have cried out to God, saying: "It is time for you to work, Oh Lord, for they have broken your law." (Psalm 9: 126). "And the smoke of the incense went up with the prayers of the saints from the angel's hand even before God. And the angel took the censer, and filled it with fire from the altar, and launched upon the earth ... And the seven angels which had the seven trumpets prepared themselves to touch them." Revelation 8: 4-6.

*"And the first angel blew the trumpet, and there was hail and fire mixed with blood, and they were cast into the earth..."*

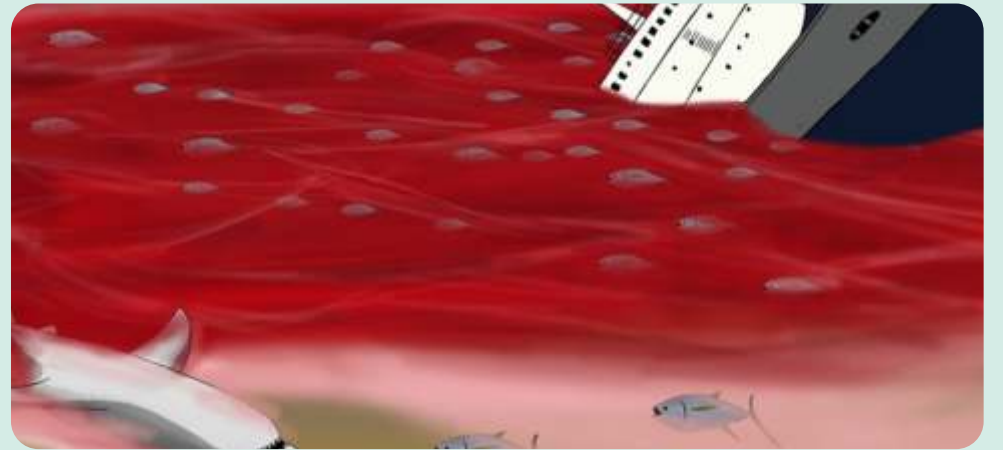

*which was burned in its third part, the stubble of the trees was burned, and all the green herb burned. "Rev 8: 7.*

*"And the second angel blew the trumpet, and there was cast into the sea a great mountain burning with fire ...*

*and the third part of the sea became blood. And the third part of the creatures that had a way in the sea died, and a third of the vessels were lost "(Revelation 8: 8, 9)*

Note: John sees a celestial body, an asteroid, being thrown into the sea. To him it looked like a great mountain burning with fire. The asteroid was not seen "to fall"; before "was launched"; so it came with a lot of speed.
